Buttonbush - Cephalanthus

Dogwood - Cornus

False cypress - Chamaecyperis

False spirea - Sorbaria

Lilac - Syringa

Ninebark - Physocarpus

Oakleaf hydrangea - Hyd. *quercifolia*

Peegee hydrangea - Hyd. *paniculata* type

Redbud - Cercis

Rose of Sharon - Hibiscus

Quince - Chaenomeles

Serviceberry - Amelanchier

St. John's wort - Hypericum

Sumac - Rhus

Summersweet - Clethra

Sweetspire - Itea

SHRUBS

	Moisture	Attributes	Light	Ht x W	Bloom Color & Season
Aesculus *parviflora* **#7 #10 B&B** Bottlebrush buckeye	♦♦		◗●	10' x 12'	White Summer
Spectacular specimen, showy blooms brighten up the shade garden. Plant's architecture complements tall buildings.					
Aronia *melanocarpa* **'Autumn Magic' #5 #7** Black chokeberry	♦♦	🐝	○◗	5' x 5'	White Summer
Tolerant of a wide range of soils. Best fruiting and fall color occur in sun. Use as low hedge or mass.					
Azalea *poukhanense* **'Compactum' #3** Compact Korean azalea	♦♦		◗●	4' x 4'	Lav-pink Spring
Deciduous azalea prefers acidic soil and morning sun. Use as a low hedge or pair with bulbs for a spring show.					
Azalea *x* **'Karen' #3 #5** Karen's azalea	♦♦		◗●	3' x 3'	Lav-pink Spring
Deciduous azalea prefers acidic soil and morning sun. Use as a low hedge or pair with bulbs for a spring show.					
Berberis *thunbergii* **'Concorde' #3** Dwarf Japanese barberry	♦♦	♥	○	2' x 3'	
Colorful accent plant or low hedge. Tolerant of shearing and road salt. Dark plum foliage.					
Berberis *thunbergii* **'Crimson Pygmy' #5** Crimson Pygmy barberry	♦♦		○	2' x 3'	
Colorful accent plant or low hedge. Tolerant of shearing and road salt. Dark maroon foliage.					
Buxus 'Green Mountain' 24/30 30/36 36/42 Green Mountain boxwood	♦♦		○◗	5' x 3'	
Broadleaf, pyramidal evergreen with tiny, bright green leaves. Very hardy. Stays green over winter.					
Buxus 'Green Velvet' 12/15 15/18 18/21 24/24 Boxwood	♦♦		○◗	3' x 3'	
Broadleaf, rounded evergreen with tiny, bright green leaves. Very hardy. Stays green over winter.					
Calycanthus *floridus* **#3** Carolina allspice	♦♦	⌘	○◗	6' x 8'	Maroon Spr-Sum
Perfect for naturalizing, groups or as specimen. Plant where fragrance can be enjoyed.

Common Names for Perennials

Alumroot - Heuchera
Anise hyssop - Agastache
Avens - Geum
Balloonflower - Platycodon
Barrenwort - Epimedium
Beardtongue - Penstemon
Bee-balm - Monarda
Bellflower - Campanula
Bergamot - Monarda
Bethlehem sage - Pulmonaria
Betony - Stachys
Bishop's hat - Epimedium
Black-eyed Susan - Rudbeckia
Blanketflower - Gaillardia
Blazing star - Liatris
Bleeding heart - Dicentra
Bloody cranesbill - Geranium *sanguineum*
Blue mist shrub - Caryopteris
Blue star flower - Amsonia
Bluebeard - Caryopteris
Bugbane - Actaea (Cimicifuga)
Butterfly bush - Buddleia
Butterfly weed - Asclepias *tuberosa*
Calamint - Calamintha
Catmint - Nepeta
Christmas fern - Polystichum
Coneflower - Rudbeckia or Echinacea
Coral bells - Heuchera
Cranesbill - Geranium
Daisy - Leucanthemum
Daylily - Hemerocallis
Eastern bee balm - Monarda *bradburiana*
False forget-me-not - Brunnera
False indigo - Baptisia
False spirea - Astilbe
False sunflower - Heliopsis
Funkia - Hosta
Garden peony - Paeonia
Garden phlox - Phlox *paniculata*
Garden pinks - Dianthus
Gayfeather - Liatris
Giant fleeceflower - Persicaria
Goatsbeard - Aruncus
Golden ray - Ligularia
Gray-head coneflower - Ratibida *pinnata*
Ironweed - Vernonia
Jacob's ladder - Polemonium
Japanese aster - Kalimeris
Japanese painted fern - Athyrium 'Pictum'
Joe-pye weed - Eupatorium
Knotweed - Persicaria *polymorpha*
Lady fern - Athyrium *felix-femina*
Lady's mantle - Alchemilla *mollis*
Lamb's ears - Stachys *byzantina*
Lenten rose - Helleborus
Lungwort - Pulmonaria
Maidenhair fern - Adiantum *pedatum*
Meadow sage - Salvia
Milkweed - Asclepias
Ornamental onion - Allium
Ostrich fern - Osmundastrum *cinnamom.*
Peony - Paeonia
Pigsqueak - Bergenia
Pinks - Dianthus
Plantain lily - Hosta
Rose mallow - Hibiscus
Russian sage - Perovskia
Sage - Salvia
Shasta daisy - Leucanthemum
Siberian bugloss - Brunnera
Smooth phlox - Phlox *glaberrima*
Sneezeweed - Helenium
Snowdrop anemone - Anemone *sylvestris*
Solomon's seal - Polygonatum
Speedwell - Veronica
Spikenard - Aralia
Stonecrop - Sedum
Tickseed - Coreopsis
Toad-lily - Tricyrtis
Turtlehead - Chelone
Virginia bluebell - Mertensia
Windflower - Anemone
Wood aster - Aster *divaricata*
Wood fern - Dryopteris
Wormwood - Artemisia
Yarrow - Achillea
Yellow coneflower - Ratibida *pinnata*

PERENNIALS

	Moisture	Attributes	Light	Ht x W	Bloom Color & Season
Achillea 'Coronation Gold' #1 Yarrow Drought tolerant. Use in borders or on commercial sites with lean soils. Silvery foliage.	♦ ♦♦		○	30" x 30"	Gold Summer
Achillea 'Moonshine' #1 Yarrow Drought tolerant. Use in containers, borders, and in meadows. Silvery foliage.	♦ ♦♦		○	18" x 12"	Yellow Summer
Achillea *millefolium* **'Pomegranate' #1** Yarrow Drought tolerant. Use in containers, borders, and in meadows. Green foliage. PP 20763	♦ ♦♦		○	24" x 24"	Red Summer
Actaea *simplex* **'Black Negligee' #1 #2** Bugbane Architectural feature for shade, woodland, and natural garden. Graceful plant best in mass for high visual impact. Dark foliage.	♦♦		◗●	5' x 2'	White Fall
Actaea *simplex* **'Brunette' #2** Bugbane Architectural feature for shade, woodland, and natural garden. Graceful plant best in mass for high visual impact. Dark foliage.	♦♦		◗●	48" x 24"	White Fall
Agastache 'Blue Fortune' #1 Giant hyssop Heat and drought tolerant. No wet sites. For sunny borders, patios, walkways and native gardens.	♦♦	♥ ✱	○◗	36" x 24"	Lav-blue Summer
Alchemilla *mollis* **'Thriller' #1** Lady's mantle Use as a border, edger, or groundcover. Pairs nicely with fine textured plants like penn sedge.	♦♦	⌘	◗	18" x 24"	Chartreuse Summer
Allium *abidum x* **'Millenium' #1** Ornamental onion More vibrant pink than 'Summer Beauty'. Use as border, edger, naturalizing, massing, and urban sites.	♦ ♦♦	✱	○◗	16" x 18"	Dark pink Summer
Allium *cernuum* **#1** Nodding onion Easy and carefree for tough, dry sites. Borders, edger, naturalizing, pollinator garden, massing.	♦ ♦♦	✱	○◗	12" x 10"	Light pink Summer

Eulalia grass- Miscanthus
Feather reed grass - Calamagrostis
Flame grass - Miscanthus *purpurascens*
Fountain grass - Pennisetum
Hakone grass - Hakonechloa
Indian grass - Sorghastrum *nutans*
Japanese sweet flag - Acorus *gramineus*
Kor. feather reed - Calamagrostis *brachy.*
Little bluestem - Schizachyrium *scoparium*
Maiden grass - Miscanthus *sinensis*
Northern sea oats - Chasmanthium *lat.*
Pennsyl. oat sedge - Carex *pensylvanica*
Prairie dropseed - Sporobolus *heterolepis*
Purple fountain grass - Penn. 'Rubrum'
Sedge - Carex
Side oats grama - Bouteloua *curtipendula*
Silver grass - Miscanthus *sinensis*
Switch grass - Panicum
Tufted hair grass - Deschampsia

Cool Season Grasses

Calamagrostis 'Karl Foerster'
Calamagrostis 'Overdam'
Carex
Deschampsia
Festuca
Sesleria

Warm Season Grasses

Acorus 'Ogon'
Andropogon
Bouteloua
Calamagrostis *brachytricha*
Chasmanthium *latifolium*
Hakonechloa
Miscanthus
Panicum
Pennisetum
Schizachyrium
Sporobolus

GRASSES

	Moisture	Attributes	Light	Ht x W	Bloom Color & Season
Acorus *gramineus* **'Ogon' #1** Golden variegated sweet flag Use in rain gardens, bioswales, along water's edge, and in containers. Not aggressive but will naturalize slowly.	💧💧 💧💧💧		○◗	6" x 12"	Greenish
Andropogon *gerardii* **'Red October' #1** Big bluestem Use in wildflower meadows, naturalized landscapes, erosion control, or back of the border. Outstanding fall color. PP 26283	💧💧	♥ 🐝	○	3' x 2'	Burgundy Summer
Bouteloua *curtipendula* **#1** Sideoats grama Tolerates tough sites and drought. Use in meadow plantings, roadside plantings, lawn alternative and green roofs.	💧 💧💧	🐝 **N**	○	18" x 24"	Lt purple Summer
Bouteloua *gracilis* **'Blonde Ambition' #1** Blue grama Tolerates tough sites and drought. Use in meadow plantings, roadside plantings, lawn alternative and green roofs. PP 22048	💧 💧💧	♥ 🐝	○	12" x 24"	Lt green Sum-Fall
Calamagrostis *brachytricha* **#1** Korean feather reed grass Use in mass or as an accent. Will handle moist areas and some shade. Tolerates pollution.	💧 💧💧		○◗	24" x 36"	Pinkish Sum-Fall
Calamagrostis *x acutiflora* **'Karl Foerster' #1 #2 #3** Feather reed grass Best used in masses for vertical impact and in narrow spaces. Also handles moist low spots, or along water's edge.	💧💧 💧💧💧	✱	○	30" x 24"	Creamy Summer
Calamagrostis *x acutiflora* **'Overdam' #1** Variegated feather reed grass A more compact, variegated sport of Calamagrostis a.'Karl Foerster'.	💧💧 💧💧💧		○	24" x 18"	Pinkish Summer
Carex *eburnea* Bristleleaf sedge Use as a lawn alternative, ground cover, or to add texture to the shade garden.	💧 💧💧	⌘ **N**	◗●	8" x 8"	Green Spring
Carex *elata* **'Bowles Golden' (Aurea) #1** Golden sedge Use in small groups for visual impact. Also great for containers and along water's edge.	💧💧 💧💧💧		○◗	12" x 18"	

⌘ = New! ♥ = Montale Favorite 🐝 = Pollinator plant ✱ = Long bloom time **N** = Native

GRASSES

	Moisture	Attributes	Light	Ht x W	Bloom Color & Season
Carex *flacca* **'Blue Zinger' #1** Blue Zinger sedge	♦ ♦♦		◗●	12" x 18"	Gold-green Summer
Use in sweeps as a groundcover, as a contrast to smooth stones, or an accent plant.					
Carex *morrowii* **'Ice Dance' #1** Japanese sedge	♦♦	♥	○◗●	12" x 24"	Cream Spring
Use in rain gardens, woodland gardens, or to lighten up moist shady areas.					
Carex *pensylvanica* **#1** Oak sedge or penn sedge	♦ ♦♦	**N**	◗●	8" x 12"	Cream Spring
Use as groundcover in the woodland garden or a lawn alternative in shady areas.					
Chasmanthium *latifolium* **#1** Northern sea oats	♦ ♦♦	**N**	○◗	30" x 18"	Green Sum-Fall
Tolerates poor soils in shade. Seedheads provide interest year round. Good for naturalizing and bioswales.					
Deschampsia *cespitosa* **#1** Tufted hair grass	♦♦	**N**	○◗	18" x 24"	White Summer
Mix with other shade perennials such as hosta and ferns. Use in rain gardens or as a lawn alternative.					
Deschampsia *cespitosa* **'Goldtau' #1** Goldtau tufted hair grass	♦♦	♥ ✱	○◗	18" x 30"	Golden Summer
Mix with other shade perennials such as hosta and ferns. Use in rain gardens an as a lawn alternative. Airy gold seedheads.					
Festuca *glauca* **'Beyond Blue' #1** Blue fescue	♦		○	10" x 18"	Green Summer
Use as an accent plant and in containers. Foliage holds blue color in moist well drained soils. Very blue! PP 23307					
Festuca *glauca* **'Elijah Blue' #1** Blue fescue	♦		○	8" x 10"	Green Summer
Use as an accent plant and in containers. Foliage holds blue color in moist well drained soils.					
Hakonechloa *macra* **'All Gold' #1** Golden Japanese forest grass	♦♦	♥	◗●	10" x 24"	Tan Sum-Fall
Combine cascading gold foliage with blue hostas or use in containers. Use as a focal point in the garden.					

⌘ = New! ♥ = Montale Favorite = Pollinator plant ✱ = Long bloom time **N** = Native

GRASSES

	Moisture	Attributes	Light	Ht x W	Bloom Color & Season
Hakonechloa *macra* **'Aureola' #1** Japanese forest grass Cascading green foliage brings a Japanese element to your design. Use as a focal point in the garden or in containers.	♦♦	♥	◗●	10" x 24"	
Miscanthus *sinensis* **'Graziella' #1 #2** Maiden grass Use as an accent, specimen, along water's edge, or as a border for meadows.	♦♦		○	5' x 3'	White Summer
Miscanthus *sinensis* **'Little Zebra' #1** Maiden grass A striking dwarf miscanthus, perfect for the small garden, containers, meadows or along water's edge. PP 13008	♦♦		○	3' x 3'	Maroon Summer
Miscanthus *sinensis* **'Morning Light' #1** Maiden grass Graceful and fine textured, great for "white gardens", mass plantings, or specimens.	♦♦		○	4' x 3'	Green Fall
Miscanthus *sinensis* **'Purpurascens' #1 #2** Maiden grass Outstanding fall color, pair with fall blooming perennials for a spectacular show in autumn.	♦♦	♥	○	4' x 3'	Maroon Fall
Panicum *virgatum* **'Heavy Metal' #1** Switch grass Use in rain gardens, bioswales, erosion control, or in meadows. Blue foliage pairs nicely with burgundy.	♦♦ ♦♦♦	🐝	○	3' x 3'	Pink Sum-Fall
Panicum *virgatum* **'Northwind' #1 #3** Switch grass Used in masses or groups. Prefers moist soils so can be used along water's edge, in rain gardens, and for erosion control.	♦♦ ♦♦♦	🐝	○	4' x 3'	Green Sum-Fall
Panicum *virgatum* **'Ruby Ribbons' #1** Switch grass Blue-green foliage turns purple-red earlier than 'Shenandoah'. Use in masses or groups, pairs well with blues, tolerates wet soils. PP 17944	♦♦ ♦♦♦	🐝	○	3' x 2'	Purple Sum-Fall
Panicum *virgatum* **'Shenandoah' #1** Switch grass Blue-green foliage turns purple-red. Use in masses or groups, pairs well with blues, tolerates wet soils.	♦♦ ♦♦♦	🐝	○	3' x 2'	Purple Sum-Fall

TERMS

Montale Gardens is a wholesale only nursery.

Customer Requirements

To establish a business account with Montale Gardens please provide a form of Proof of Business. Acceptable forms are: a voided business check, a copy of your business license, a copy of state certificate or business registration, membership in a professional association, trade association or chamber of commerce. All sales will be made directly to the industry purchaser only, we do not accept third party checks or sell to persons outside of the Green Industry.

Placing Orders

We request that orders be emailed to: info@montalegardens.com whenever possible. We will respond quickly with availability status and suggest substitutions as needed.

All orders require a delivery or pick up date.

When placing orders a pick up or delivery date is required, not to exceed 30 days from the date of order placement.
Cancellations or returns must be communicated prior to pulling to avoid a restocking fee of 25% of the total order value. Returns are accepted on a case-by-case basis.

Deliveries

$500 minimum order. Delivery orders must be finalized by 3 P.M. 2 business days prior to your desired delivery date.

Under 40 miles	$50
40-55 miles	$75
55+ miles, call for rates.	

Pick Ups

Orders placed 24 hours in advance are given top priority. All other orders are assembled on a first come first serve basis. We are happy to accommodate walk-in customers, however during peak season excessive wait times in assembling orders are likely to occur**. We highly recommend placing your order in advance.**

Guarantee

We guarantee quality plants that are true to name and in prime growing condition at time of purchase. Please notify our office immediately if there are any problems. **All claims regarding shortages, incorrect or damaged plants must be submitted to our office within 24 hours from receiving material.**

Custom Contract Grow Orders

We will consider Custom Contract Grow Orders for established customers in good standing based on plant availability, space availability and production lead time. Terms will vary depending on the quantity and variety of plants. An advance non-refundable deposit of 30% will be required at the time of order confirmation. A holding fee of 10% per month **may** be assessed on orders not taken by the requested date.

Pricing

Items quoted in this catalog are in trade gallon containers, unless otherwise indicated. All prices shown in this catalog are wholesale to qualified industry purchasers and are F.O.B. Wauconda, IL. Illinois sales tax of 7.0% will be charged on all purchases unless Montale Gardens is provided with a valid Certificate of Resale. Contractors working on tax-exempt projects must supply supporting paperwork for exempt status at time of order placement. **Prices are subject to correction or change at any time.**

Earned Volume Discounts (EVD)

Montale Gardens, Inc. offers volume discounts to our customers who have purchased $10,000.00 or more during the previous calendar year. Your account must be maintained in good standing. Montale Gardens reserves the right to cancel the discount program on delinquent accounts. Montale Gardens also reserves the right to cancel or change the discount program at any time during the year. Customers will be notified of their discounts at the beginning of each year. Invoices will be modified accordingly. Any sales or discounts offered cannot be used in conjunction with your EVD. The greater of the two will be honored.

$10,000	3%
$15,000	5%
$25,000	7%
$50,000	10%
$80,000	12%
$120,000	14%

Forms of Payment

We accept Visa, MasterCard, American Express, Discover, company check, and cash. New customers may choose to apply for an account with Montale Gardens, however all orders are C.O.D. until such account is approved. Established accounts must be maintained in good standing. Terms are Net 30 days. Full payment is due within 30 days of invoice date.

Past due accounts will be subject to finance charges of 1.5% per month (18% per year) on balances past due. **Accounts over 90 days delinquent will become C.O.D. accounts.**

A $35.00 fee will be assessed for any check that must be submitted more than once or is returned unpaid. In the event of nonpayment, the customer will be responsible for paying all reasonable costs incurred in the collection process, including, but not limited to attorney's fees, and court costs.
