SHRUBS

Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
------------	---------------	-------	--------	-------------	--------------	------

Aronia arbutifolia 'Brilliantissima'

Chokeberry

7' x 4'

White

Spring

#5

Abundant fruit production and gorgeous red fall color. Tolerates boggy soils and will colonize, good for naturalizing.

Aronia Low Scape Mound

Aronia melanocarpa 'UCONNAM165'

18" x 24"

White

Spring

#3

Low-growing shrub with a mound-forming habit. White flowers in spring. Purple-black fruit in summer. Brilliant red fall foliage. PP 28789

Aronia melanocarpa

Black Chokeberry

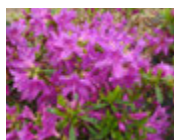

6' x 6'

White

Spring

#5

Great for hedges, rain gardens and naturalizing. Ornamental black fruits attracts birds and redish bronze fall color combines well with fall blooming perennials.

Azalea x 'Karen'

Karen's azalea

3' x 3'

Lavender Pink

Spring

#3 #5

Deciduous. Abundant clusters of flowers. Burgundy fall foliage. Showiest in groups. Pair with bulbs for a spring show.

Berberis thunbergii 'Concorde'

Dwarf Japanese barberry

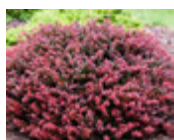

2' x 3'

Creamy Yellow

Spring

#5

Tight, compact habit. Dramatic maroon and plum foliage. Great accent. Perfect size for edging as a small hedge.

Berberis thunbergii 'Crimson Pygmy'

Crimson Pygmy barberry

2' x 3'

Creamy Yellow

Spring

#3

Crimson foliage. Perfect low hedge, border or accent plant.

Buxus 'Green Velvet' 15/18 18/21 24"

Boxwood

3' x 4'

Broadleaf, rounded evergreen with tiny, bright green leaves. Very hardy. Provides color and structure in the garden. Well suited for dense, low hedges.

Callicarpa Pearl Glam®

Callicarpa x 'NCCX2'

4' x 3'

White

Sum-Fall

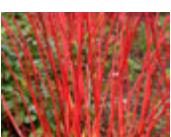

#3

More upright cultivar. Smoky purple foliage. White flowers yield violet colored berries in fall. Adds contrast to mixed borders. May die back during winter months. PP 28312

★ = New! ♥ = Montale Favorite 🐝 = Pollinator Plant 🌸 = Long Bloom Time 🌿 = Native

SHRUBS

	Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
	Calycanthus x 'Aphrodite' <i>Calycanthus x 'Aphrodite'</i>	 		8' x 6'	Red	Summer	#3 
Fragrant red flowers from mid-summer to fall. Large lush shrub provides a lot of coverage. Great for privacy. PP 24014							
	Cephalanthus Sugar Shack® <i>Cephalanthus occidentalis 'SMCOSS'</i>	 		4' x 4'	Cream	Summer	#3 
Green to burgundy foliage. Highly fragrant white blooms followed by colorful red fruit. Loves a boggy wet spot. PP 26543							
	Chamaecyparis pisifera 'Golden Mop' Golden falsecypress			3' x 5'			#3
Thin, golden whip-like leaves and branches. Good choice for rock gardens, foundation planting, or specimen.							
	Clethra 'Vanilla Spice' <i>Clethra alnifolia 'Caleb'</i>	  		6' x 6'	White	Summer	#3 
Fragrant white flower spikes nearly double that of other varieties. Plant near a deck or patio to enjoy the sweet scent.							
	Clethra alnifolia 'Hummingbird' Summersweet	  		4' x 5'	Creamy White	Summer	#3
Compact mounded form. Fragrant flowers with golden-yellow foliage in fall. Ideal for small consistently moist gardens.							
	Clethra alnifolia 'Ruby Spice' Summersweet	  		5' x 4'	Bright Pink	Summer	#3
Fragrant pink bottlebrush-like flower spikes in late summer. Plant in groups or mass in mixed shrub borders.							
	Cornus alba Ivory Halo® Variegated tatarian dogwood	 		5' x 5'	White	Spring	#5 #7
Compact habit. Colorful stems and variegated foliage. Multi-season interest. Shrub borders, mass plantings or low hedge. PP 8722							
	Cornus Arctic Fire® Red <i>Cornus stolonifera 'Farrow'</i>	 		5' x 5'	White	Spring	#3 
Compact redbud dogwood with vibrant red stems in winter. Will tolerate a wide range of soils and some shade, best performance will be in full sun. USPP 18523							

★ = New! ♥ = Montale Favorite  = Pollinator Plant  = Long Bloom Time  = Native

SHRUBS

------------	---------------	-------	--------	-------------	--------------	------

Cornus sericea 'Cardinal'

Redtwig dogwood

6' x 10'

White

Spring

#5

Coral/Red stems provide great winter interest. Spreading habit helps control erosion. Great in naturalistic plantings.

Cotoneaster apiculatus

Cranberry cotoneaster

2' x 6'

Pink

Spr-Sum

#3

Pink flowers followed by large red berries that brighten the winter landscape. Can be used to cover large areas. Great foundation plant.

Deutzia Chardonnay Pearls®

Deutzia gracilis 'Duncan'

3' x 3'

White

Spring

#3

Lemon-lime foliage provides season-long color. Combine with blue flowering plants such as Geranium 'Rozanne'. PP 16098

Deutzia gracilis 'Nikko'

Deutzia

1' x 3'

White

Spring

#3

Low-growing dwarf. Showy accent when covered with double white blooms in spring. Deep burgundy fall foliage.

Deutzia Yuki Cherry Blossom®

Deutzia 'NCDX2'

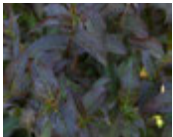

1' x 2'

Pink

Spring

#3

Carpet of creamy pink flowers. Plant in mass for spring and fall show. Excellent groundcover for sunny slopes. PPAF

Diervilla Kodiak® Black

Diervilla rivularis 'SMNDRSF'

3' x 4'

Yellow

Spr-Sum

#3

Dramatic black-purple foliage all season with burgundy tones in fall. Summer flowers add contrast. Mass plantings for spectacular effect. PPAF

Diervilla Kodiak® Orange

Diervilla 'G2X88544'

3' x 4'

Yellow

Spr-Sum

#3

Glowing orange fall foliage. Extremely versatile - thrives in sun and part shade. PPAF

Diervilla Kodiak® Red

Diervilla 'G2X885411'

3' x 4'

Yellow

Spr-Sum

#3

Rich, vivid red foliage in spring and fall; green with hints of red in summer. Great for erosion control on hillsides. PPAF

★ = New! ♥ = Montale Favorite 🐝 = Pollinator Plant 🌸 = Long Bloom Time 🍷 = Native

SHRUBS

	Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
	Diervilla lonicera Bush honeysuckle	 		3' x 4'	Yellow	Summer	#3
Tolerates dry sites and drought. Spreads by suckering. Use in groups as a shrub border, low hedge, for naturalizing or on slopes.							
	Euonymus alatus 'Compactus' Dwarf burning bush			8' x 10'	Yellow Green	Spring	#7
Intense scarlet red fall color. Sensational accent or natural hedge. Particularly striking at foreground of evergreens.							
	Forsythia 'Gold Tide' Forsythia			2' x 4'	Yellow	Spring	#3
A welcome harbinger of spring, this compact forsythia tolerates moderate drought once established and poor soils.							
	Fothergilla gardenii Dwarf Fothergilla	 		3' x 4'	White	Spring	#5
Fuzzy bottlebrush flowers in spring. Attractive summer foliage. Bold fall color. Use in hedges or borders to provide multi-season interest.							
	Hibiscus syriacus 'Aphrodite' Rose of Sharon	  		6' x 5'	Pink	Sum-Fall	#5 #7
Late season color for the border, backdrop, hedge or mass planting. Leaves out late. Hummingbirds love this one, but the deer tend to avoid it.							
	Hydrangea 'Limelight' <i>Hydrangea paniculata</i> 'Limelight'	  		8' x 8'	Green/White/Pink	Sum-Fall	#3 #5 #7
Chartreuse blooms age to creamy white then to deep pink. Large stature makes this a perfect screen, backdrop or hedge. It's everyone's favorite! PP 12874							
	Hydrangea 'Ruby Slippers' Oakleaf Hydrangea	 		4' x 5'	White/Rose Pink	Summer	#3
White blooms quickly age to deep rose pink. Brilliant burgundy fall color. Excellent plant for smaller landscapes. PP 25106							
	Hydrangea arborescens 'Annabelle' Smooth Hydrangea	 		4' x 6'	White	Summer	#5
Classic, huge white flowers. Average soil; not fussy. Handles rejuvenation pruning well. Excellent cut flower.							

★ = New! ♥ = Montale Favorite  = Pollinator Plant  = Long Bloom Time  = Native

SHRUBS

Hydrangea Bobo®

Hydrangea paniculata 'ILVOBO'

3' x 4'

White/Pink

Sum-Fall

#3

Very dwarf habit. Engulfed by large flowers. No flopping. Perfect size for limited space and low borders. PP 22782

Hydrangea Endless Summer®

Hydrangea macrophylla 'Bailmer'

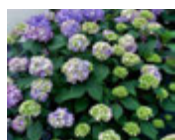

3' x 4'

Pink/Blue

Sum-Fall

#3 #5

Flower color dependent on soil pH. Adds bold texture and color to the landscape. Use along walkways or fences to boost charm. PP 15298

Hydrangea Endless Summer® BloomStruck®

Hydrangea macrophylla 'PIIHM-II'

4' x 5'

Deep Rose/Blue

Sum-Fall

#5

Alternative to 'Endless Summer'. Huge flowers on strong red stems. Specimen or in small groups. Great cut flowers. PP 25566

Hydrangea Endless Summer® Summer Crush®

Hydrangea macrophylla 'Bailmactive'

3' x 4'

Raspberry Red/Purple

Sum-Fall

#3

More compact than other macrophylla types, with intense color variation of raspberry to neon purple. Perfect feature or container plant. PPAF

Hydrangea Endless Summer® Twist-n-Shout®

Hydrangea macrophylla 'PIIHM-I'

3' x 4'

Pink/Periwinkle

Sum-Fall

#3 #5

First reblooming lacecap variety. Deep pink or periwinkle blooms depending on soil pH. Perfect for cottage and cutting gardens. PP 20176

Hydrangea Fire and Ice

Hydrangea paniculata 'Wims Red'

4' x 4'

Creamy White/Rose Pink

Sum-Fall

#3

Use as a border in the perennial garden to extend the season of bloom as flowers progress from white to pink to red. PP 26005

Hydrangea Fire Light Tidbit®

Hydrangea paniculata 'SMNHPK'

3' x 3'

White/Pink/Red

Sum-Fall

#3

Dwarf panicle hydrangea covered in flowers that transition from white to pink to red. Foliage turns from green to burgundy and apricot in fall. We're excited about this one! PP 32512

Hydrangea Fire Light®

Hydrangea paniculata 'SMHPFL'

8' x 8'

Pink/Red/White

Sum-Fall

#5

One of the best selling varieties. Exceptionally hardy and low maintenance. Large flowers age to red early in the summer. PP 25,135

★ = New! ♥ = Montale Favorite 🐝 = Pollinator Plant 🌸 = Long Bloom Time 🌿 = Native

Achillea 'Coronation Gold'

Yarrow

3' x 2'

Golden Yellow

Summer

#1

Silvery foliage. Eye-catching combination with daylilies and blue Salvia. Use in meadows, prairies or cottage gardens.

Achillea 'Moonshine'

Yarrow

2' x 1'

Lemon Yellow

Summer

#1

Grey-green ferny foliage. Use to accent sunny borders or in mass plantings to create a bold band of color.

Achillea millefolium 'Pomegranate'

Yarrow

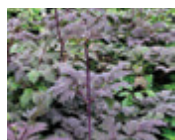

2' x 2'

Magenta

Summer

#1

Bold velvety red flowers. Fern-like foliage. Excellent cut flowers. Vital ingredient for rock gardens. PP 20763

Actaea simplex 'Brunette' (Cimicifuga)

Bugbane

4' x 3'

White

Sum-Fall

#1 #2

Bronze-purple foliage. Architectural feature for shade, woodland and natural gardens. Best planted in mass for high visual impact. Best performance will be in moist cool soils.

Agastache 'Blue Fortune'

Giant hyssop

3' x 2'

Lavender Blue

Summer

#1

Unique bottlebrush flowers with licorice scented foliage (when crushed). Attracts butterflies and hummingbirds. Use in sunny borders, near patios and in native gardens.

Alchemilla mollis 'Thriller'

Lady's mantle

2' x 2'

Chartreuse

Summer

#1

Vivid chartreuse flowers with cool green scalloped leaves. Creeping habit is valuable for edging borders and paths. Great companion to Penn sedge.

Allium 'Windy City'

Ornamental onion

18" x 18"

Violet/Purple

Spr-Sum

#1

A dwarf Allium with 2" round violet-purple flowers. Long blooming, drought tolerant and attracts butterflies. Tidy and versatile landscape plant. PP 28100

Allium abidum x 'Millenium'

Ornamental onion

15" x 15"

Rosy Purple

Summer

#1

Globe-shaped rosy purple flowers. Grass-like leaves. Great addition to sunny gardens. Attractive seed heads provide fall/winter interest.

Anemone x hybrida 'Honorable Jobert'

Windflower

3' x 2'

White

Sum-Fall

#1

White flowers with yellow stamens and chartreuse centers. Graceful addition to the perennial garden for late summer to early fall interest.

Aralia cordata 'Sun King'

Golden Japanese spikenard

4' x 4'

White

Summer

#1

This shrub size perennial has gold leaves in sun and lime-green in heavy shade. Shelter from strong winds. Looks great with burgundy, deep blues and greens.

Aruncus aethusifolius

Dwarf goatsbeard

1' X 1'

Ivory

Summer

#1

Feathery plumes of flowers. Loves moist, shady areas. Excellent at the front of the perennial border or along streams or ponds. Tidy!

Aruncus dioicus

Goatsbeard

5' x 3'

Cream

Summer

#1

Resembles giant Astilbe. Excellent background choice for shady, moist sites in the perennial border or woodland setting.

Asclepias tuberosa

Butterfly weed

2' x 2'

Orange

Summer

#1

Nectar provides food to butterflies and hummingbirds. Use with short grasses in natural gardens or prairie plantings.

Aster divaricata (Eurybia)

White wood aster

2' x 2'

White

Summer

#1

Blanket of starry white daisies. Thrives in deep shade and brightens up the border. Great for wildlife gardens.

Aster

see *Symphyotrichum*

Astilbe 'Delft Lace'

False Spirea

2' x 2'

Pink

Summer

#1

Pink plumes. Attractive, unique foliage. Mainstay of a shade or woodland garden. Pair with Brunnera, Ligularia, or Hosta. PP 19839

★ = New! ♥ = Montale Favorite 🐝 = Pollinator Plant 🌸 = Long Bloom Time 🍂 = Native

Astilbe x arendsii 'Fanal'

False Spirea

18" x 18"

Garnet Red

Summer

#1

Deep garnet red plumes. Mahogany to green foliage. Group with smaller, white flowering plants for extra show.

Baptisia 'American Goldfinch'

False indigo

3' x 5'

Golden Yellow

Spring

#1 #2

Big, bold, full, widely-rounded habit. Golden yellow flower spikes. Use as specimen to fill space or for mass plantings. PP 30478

Baptisia 'Indigo Spires'

False indigo

42" x 42"

Purple/Blue

Spring

#1 #2

Heavy flower production atop densely branched fully rounded clump, unlike some leggy baptisias. Provides structure and scale in the perennial garden. PP 26750

Brunnera macrophylla 'Jack Frost'

Siberian bugloss

12" x 18"

Electric Blue

Spring

#1

Lights up the shade garden. Likes moist, rich soils. Good choice for woodland and naturalized gardens, as well as in containers. Use in masses or individually. PP 13859

Buddleia Chrysalis™ Blue

Butterfly Bush

28" x 24"

Purple/Blue

Spr-Sum

#2

A must have for butterfly enthusiasts! Vibrant flower color combined with long bloom period make this an excellent choice for borders or containers.

Buddleia Chrysalis™ Cranberry

Butterfly Bush

28" x 24"

Pink/Red

Spr-Sum

#2

Vibrant cranberry colored flowers on this mildew resistant plant from summer to frost. Needs well drained soil and will benefit from regular fertilizing. PP33,845

Buddleia PUGSTER PINKER®

Butterfly Bush Buddleia 'SMNBDB'

24" x 30"

Pink

Sum-Fall

#2

As adorable as its name! Tidy plant with big, bold blooms that look great massed or in seasonal flower containers. PP#33,565

Buddleia PUGSTER® AMETHYST

Butterfly Bush Buddleia 'SMNBDL'

24" x 24"

Purple

Sum-Fall

#2

Thick, sturdy stems help hold the extra large flowers on this dwarf variety, marking for a big impact for a little plant! PP#30,236

Dianthus 'Neon Star'

Garden pink

8" x 12"

Fluorescent Pink

Spring

#1

Adds a pop of color to the garden. Deadheading prolongs bloom time. Excellent for spring color, great in rock gardens. PP 14549

Dianthus gratianopolitanus 'Firewitch'

Garden pink

8" x 12"

Bright Magenta

Spring

#1

Mounded and compact. Good contrast for rock gardens or border fronts. Dense mats form eye-catching ground cover.

Dianthus 'Plum Glory'

Garden pink

8" x 18"

Bright Pink/Magenta

Summer

#1

Perfect multicolored blooms bring a perfect pop of color. Fragrant and great for hot, dry sites.

Dicentra spectabilis 'Alba' (Lamprocapnos)

Bleeding heart

30" x 30"

White

Spring

#2

Less vigorous white cultivar of old-fashioned classic. Powdery light green foliage. Delicate blooms. Loves rich, moist soil and will go dormant in summer.

Dicentra spectabilis (Lamprocapnos)

Bleeding heart

30" x 30"

Pink and White

Spring

#2

Best for the shaded border and woodland garden. Foliage goes dormant - plant amongst hostas and ferns for fill in.

Echinacea 'Pixie Meadowbrite'

Dwarf coneflower

18" x 24"

Pink

Sum-Fall

#1

Reliable, floriferous pink upward facing flowers. Use in groups, massed or as a specimen. Pairs well with blue nepeta. PP 24770

Echinacea purpurea 'Cheyenne Spirit'

Coneflower

24" x 18"

Multi

Summer

#1

Highly requested for its variety of colors. Flowers will bloom red, pinks, yellows, oranges, purples and whites. It's the perfect all-in-one!

Echinacea purpurea 'Kim's Knee High'

Coneflower

24" x 18"

Rosy Purple

Summer

#1

Frequently requested for its compact size this is the perfect purple coneflower for the front of the border.

18" x 18" Lemon Yellow Summer #1

Dwarf rebloomer loved by landscapers. Fountain-like leaves provide a tidy habit. Easily grown in poor soils and tolerant of urban conditions.

Hemerocallis 'Mauna Loa'

Daylily

20" x 28" Amber Summer #1

Bright orange-gold blend flowers with red wire edges and green throat. Sturdy stems and high bud count. When nothing but bright orange will do!

Hemerocallis 'Rosy Returns'

Daylily

16" x 18" Rose Pink Spr-Sum #1

Dwarf variety. Profuse blooms from June through summer. Rose-pink flowers, dark rose center and yellow throat. Easily grown in poor soils and tolerant of urban conditions. PP 9779

Hemerocallis 'Ruby Stella'

Daylily

18" x 18" Ruby Red Summer #1

Dwarf rebloomer. Ruby red flowers with yellow throats. Easily grown in poor soils and tolerant of urban conditions.

Hemerocallis 'Stella de Oro'

Daylily

18" x 18" Golden Yellow Summer #1

Miniature golden yellow flowers. Use in beds and meadows. A staple for commercial sites.

Hemerocallis 'Strawberry Candy'

Daylily

24" x 18" Pink Shades Sum-Fall #1

Reblooming pale peachy-pink petals with a strawberry red eyes and golden throats. Easily grown in poor soils and tolerant of urban conditions.

Hemerocallis 'EARLYBIRD CARDINAL'™

Daylily

18" x 24" Watermelon Red Summer #1

Highly floriferous rebloomer. Easy to grow and tolerant of urban and Black Walnut conditions. Plant in mass for a long season show. PP 16515

Heuchera 'Guacamole'

Coral bells

22" x 38" White Summer #1

Lime color lights up the shade. The most resilient lime colored heuchera that we have found, lime color will fade as the season progresses. Easy to grow!

★ = New! ♥ = Montale Favorite = Pollinator Plant = Long Bloom Time = Native

Heuchera 'Midnight Rose'

Coral bells

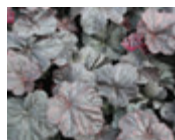

1' x 1'

Creamy White

Summer

#1

Near-black leaves with hot pink spots in spring fading to cream in summer. Exceptional container plant and for front entry foundation planting for bold effect. PP 18551

Heuchera 'Obsidian'

Coral bells

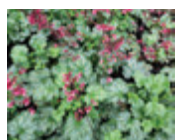

12" x 18"

Cream

Summer

#1

Shiny purple black leaves pair stunningly with high contrast companions like hostas and ferns. Combines nicely with Japanese painted fern. PP 14836

Heuchera 'Paris'

Coral bells

12" x 18"

Hot Pink

Summer

#1

Long, repeat bloom. Minty green foliage and hot pink flowers add color to the shade and front of border. Also great in containers! PP 18881

Heuchera 'Plum Pudding'

Coral bells

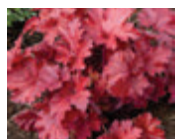

10" x 12"

White

Summer

#1

Compact habit. Shimmering plum purple leaves with metallic silver highlights. Mass as ground cover or use along walkways. COPF Patent

Heuchera Forever™ Red

Coral bells

7" x 14"

Pink

Summer

#1

Burgundy-red foliage intensifies in spring and fall. Sun tolerant. Stunning alongside yellow hostas and ferns. This showstopper is easy to grow! PP 29644

Heuchera micrantha 'Palace Purple'

Coral bells

16" x 18"

Blush White

Summer

#1

Probably the most sun tolerant and toughest Heuchera. Maple-shaped bronze-purple to olive green leaves. When you must have a Heuchera for a commercial site.

Heuchera villosa 'Autumn Bride'

Coral bells

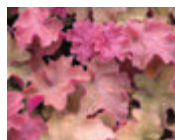

2' x 2'

Creamy White

Sum-Fall

#1

Large velvety lime green leaves. Best in groups to create ground cover or massed for shade gardens. Excellent space filler, with dainty but much appreciated fall flowers.

Heuchera villosa 'Caramel'

Coral bells

14" x 18"

Light Pink

Summer

#1

Leaves emerge gold and mature to peachy orange. Adds glow to shady beds. Thrives in high heat and humidity. Excellent in fall plantings and containers. All season beauty! PP 16560

HOSTAS

Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
------------	------------------	-------	--------	----------------	-----------------	------

Hosta 'August Moon'

Plantain lily

20" x 42"

Lavender

Summer

#1 #2

Noted for sun tolerance. Large heart-shaped leaves; chartreuse to soft yellow to bright golden dependent on sun exposure.

Hosta 'Big Daddy'

Plantain lily

2' x 3'

White

Summer

#1

Considered the best of the big blues. Full shade will deliver the deepest blue color. Thrives under tree canopies. Slug resistant. Excellent background for shade gardens.

Hosta 'Blue Angel'

Plantain lily

3' x 4'

Pale Lavender

Summer

#1

Blue-green leaves. Largest of the blue-leaved hostas. Slug resistant.

Hosta 'Blue Mouse Ears'

Plantain lily

8" x 18"

Lavender

Summer

#1

Miniature. Blue-green leaves resemble mouse ears. Lavender flowers. Slug resistant and adorable.

Hosta 'Brim Cup'

Plantain lily

12" x 18"

White

Summer

#1

A small green hosta with wide white to cream colored irregular margins. White flowers in summer attract hummingbirds.

Hosta 'Brother Stefan'

Plantain lily

20" x 36"

White

Summer

#1

Heavily corrugated blue green leaves with brilliant gold centers. Big, bold and beautiful. One of our favorites for the lushness it brings to the garden. Slug resistant

Hosta 'Dancing Queen'

Plantain lily

18" x 30"

Pale Lavender

Summer

#1

Bright golden yellow wedge shaped leaves with piecrust edges. Foliage changes to green as the season progresses. Spectacular in Spring as foliage emerges!

Hosta 'Earth Angel'

Plantain lily

3' x 4'

Pale Lavender

Summer

#1

Heart-shaped blue-green leaves with chartreuse margins mature to creamy white. Excellent specimen, ground cover or underplanting.

HOSTAS

	Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
	Hosta 'First Frost' Plantain lily	♥🐝	☀️	16" x 36"	Lavender	Summer	#1
	Blue leaves with gold margins that fade to white. Adaptable to various conditions. Slug resistant.						
	Hosta 'Francee' Plantain lily	🐝	☀️	14" x 36"	Pale Lavender	Summer	#1
	Most commonly used green leaf hosta with crisp white margins. Most commonly used hosta for sun tolerance, variegation holds up well.						
	Hosta 'Gold Standard' Plantain lily	🐝	☀️	20" x 36"	Pinkish Lavender	Summer	#1
	Chartreuse leaves progress to golden yellow. Irregular dark green margins. Dynamic contrast to solid green foliage.						
	Hosta 'Guacamole' Plantain lily	🐝	☀️	2' x 4'	White	Summer	#1 #2
	Apple green leaves with darker edges. Variegation intensifies with season. Some bright light for best color. Fragrant flowers.						
	Hosta 'June' Plantain lily	♥🐝	☀️	16" x 42"	Pale Lilac	Summer	#1
	Blue-green margins with gold centers. Center turns lime green in deep shade; chartreuse in sun. One of the last hostas to go dormant.						
	Hosta 'Liberty' Plantain lily	🐝	☀️	26" x 39"	Lavender	Summer	#1
	Upright blue-green leaves mature to green. Yellow margins fade to creamy white. Slow grower. Fertile soil and good moisture retention a must. PP 12531						
	Hosta 'Olive Bailey Langdon' Plantain lily	🐝	☀️	30" x 60"	White	Summer	#1
	Improved 'Frances Williams' look-alike. Corrugated blue-green centers with wide gold margins. Great specimen. Fertile soil for full potential.						
	Hosta 'Orange Marmalade' Plantain lily	🐝	☀️	18" x 30"	Lavender	Summer	#1
	Multi-color display throughout season. Blue-green leaves turn orange gold and fade to creamy white. Shade garden favorite, but patience required as this one is slow to establish. PP 16742						

★ = New! ♥ = Montale Favorite 🐝 = Pollinator Plant 🌸 = Long Bloom Time 🌿 = Native

HOSTAS

Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
------------	------------------	-------	--------	----------------	-----------------	------

Hosta 'Patriot'

Plantain lily

20" x 24"

Lavender

Summer

#1

A sport of 'Francee'. Deep green centers with larger irregular white margins. Sun and heat tolerant. Use to brighten shady borders.

Hosta 'Rainforest Sunrise'

Plantain lily

10" x 20"

Pale Lavender

Summer

#1

Chartreuse to yellow leaves, dark green margins. Lime green center in heavy shade; gold in bright shade. Slug resistant.

Hosta 'Royal Standard'

Plantain lily

22" x 36"

White

Summer

#1

Solid green leaves. Fragrant lily-like flowers. Can tolerate direct sun with adequate moisture. When nothing but green will do, this one's the standard.

Hosta 'Sum and Substance'

Plantain lily

3' x 5'

Pale Lavender

Summer

#1

Giant mound of wavy chartreuse foliage. Substantial sun for best golden color. Excellent specimen.

Hosta sieboldiana 'Elegans'

Plantain lily

2' x 4'

Pale Lavender

Summer

#1

Large heart shaped blue green leaves cover a lot of space in the garden. Highly useful and a classic. Slug resistant.

Hosta tardiana 'Halcyon'

Plantain lily

18" x 36"

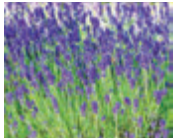

Lilac Blue

Summer

#1

Powdery blue-green leaves. Vase shape make this an excellent hosta for underplanting or site in groundcover beds.

GRASSES

Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
------------	---------------	-------	--------	-------------	--------------	------

Acorus gramineus 'Ogon'

Japanese sweet flag

6" x 12"

Yellow Green

#1

Iris-like tufts of variegated blades. Non-aggressive - naturalizes slowly. Brightens edges of ponds and water gardens, excellent in containers.

Calamagrostis brachytricha

Korean feather reed grass

4' x 3'

Pink Tinged

Sum-Fall

#1

Plumes mature to tan and cream. White with subtle pink variegation. Very effective when massed. Tolerates moist sites, pollution and some shade.

Calamagrostis x acutiflora 'Karl Foerster'

Feather reed grass

4' x 2'

Creamy

Summer

#1 #3

Stunning vertical effect. Stalks emerge reddish brown and mature to rich gold. Good for narrow spaces.

Calamagrostis x acutiflora 'Overdam'

Variegated feather reed grass

3' x 3'

Mauve

Summer

#1

Compact, variegated sport of 'Karl Foerster'. Use as specimen or mass for dramatic effect.

Carex elata 'Bowles Golden' (Aurea)

Golden sedge

16" x 18"

Brownish

Spring

#1

Dramatic accent to shade gardens. Brings texture and color to the shade garden and is also great in seasonal containers. Easy to grow but is a bit slow to establish.

Carex morrowii 'Ice Dance'

Japanese sedge

12" x 18"

Insignificant

Spring

#1

Versatile; for sun or shade. Bright green with creamy margins. Great container plant, may not survive extremely cold winters.

Carex muskingumensis

Palm sedge

2' x 2'

Yellow

Spring

#1

Can be used in rain gardens but works equally well in dry areas once established. Highly adaptable but best performance will be in shady moist areas. Highly ornamental seed heads.

Carex pensylvanica

Oak sedge

1' x 1'

Creamy

Spring

#1

Grass-like sedge. Creeping habit. Good groundcover for under trees and native woodland plantings. Will turn rusty brown in fall.

★ = New! ♥ = Montale Favorite 🐝 = Pollinator Plant 🌸 = Long Bloom Time 🍂 = Native

GRASSES

	Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
	Chasmanthium latifolium Northern sea oats		●●	○●	4' x 2'	Green	Summer #1
Seedheads provide interest all year. Great for bioswales. May exceed 4' when planted in sun. Freely re-seeds under optimum conditions.							
	Deschampsia cespitosa 'Goldtau' Tufted hair grass	♥  	●●	○●	30" x 30"	Golden	Summer #1
Airy, golden yellow seedheads bring an explosion of texture to the shade gardens. Combine with Hosta or Aralia for a full season of interest.							
	Equisetum hyemale Scouring-rush horsetail		●●●	○●	4' x 3'	Non-flowering	#1
Vertical, bamboo-like stems are stongly architectural. Aggressive. Great choice for rain, bogwater gardens, and containers.							
	Festuca glauca 'Beyond Blue' Blue fescue	●	○	12" x 18"	Green	Summer	#1
Powder blue foliage all season in moist well drained soil. Does not like consistently wet soil and will rot if not allowed to dry out. Will make an excellent foreground plant for Sedum. PP 23307							
	Miscanthus sinensis 'Graziella' Maiden grass	●●	○●	5' x 3'	Silvery White	Summer	#1
Silvery plumes, copper-orange-red fall color, large grass makes an excellent screen but can also be used as a specimen.							
	Miscanthus sinensis 'Little Zebra' Maiden grass	●●	○●	3' x 3'	Boysenberry	Summer	#1
Striking dwarf variety. Arching blades with eye-catching ivory bands. Compact size and interesting color make this grass a good choice for an accent in the perennial garden. PP 13008							
	Miscanthus sinensis 'Morning Light' Maiden grass	♥ ●●	○●	5' x 3'	Red	Fall	#1
Refined and elegant! Thin green foliage edged in creamy white, perfect upright, clean habit. May not flower in short, cool seasons, but this one is still a winner!							
	Miscanthus sinensis 'Purpurascens' Maiden grass	●●	○●	4' x 3'	Purple	Fall	#1
Brilliant fall color makes this one of the most recognizable grasses. Very good cold hardiness and beautiful silky white plumes in winter.							

★ = New! ♥ = Montale Favorite  = Pollinator Plant  = Long Bloom Time  = Native

GRASSES

Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
------------	------------------	-------	--------	----------------	-----------------	------

***Molinia caerulea* ssp. *arundinacea* 'Skracer'**

Purple moor grass

7' x 3'

Purple

Summer

#1

Narrow, upright cultivar. Strong sculptural form. See-through quality enables placement in border fronts. Excellent golden fall color.

***Panicum virgatum* 'Heavy Metal'**

Switch grass

4' x 2'

Pink

Sum-Fall

#1

Metallic blue upright foliage on strong stems, does not flop. Bright yellow fall color, and good winter habit. Excellent as a screen, specimen or mass planting.

***Panicum virgatum* 'Northwind'**

Switch grass

5' x 3'

Yellow

Sum-Fall

#3

Olive to blue-green foliage. Golden fall color. A landscaper favorite that is excellent as a specimen, screen or mass planting.

***Panicum virgatum* 'Shenandoah'**

Switch grass

3' x 3'

Purple-Red

Summer

#1

Blue-green foliage, takes on red tones in the summer and deepens to burgundy in fall. Airy purple-red seed panicles top the plant. Easy and adaptable.

***Pennisetum Jambalaya*™**

Fountain grass

38" X 30"

Silvery Pink

Sum-Fall

#1

Sterile variety. Uniform mound of upright arching stalks with violet pink plumes that age to silver. Great sub for alopecuroides. PPAF

***Schizachyrium scoparium* 'Standing Ovation'**

Little bluestem

4' x 2'

Silver

Fall

#1

Sturdy stems keep this selection upright and tidy. Generally will not flop except in heavy snow. Low maintenance and drought tolerant with stunning red-orange fall color. PP25202

Sesleria autumnalis

Autumn moor grass

1' x 1'

Brown

Fall

#1

One of the most versatile ornamental grasses. Fills in quickly, stays short and bushy, easy to grow and maintain, drought tolerant once established.

Sporobolus heterolepis

Prairie dropseed

3' x 2'

Tan

Fall

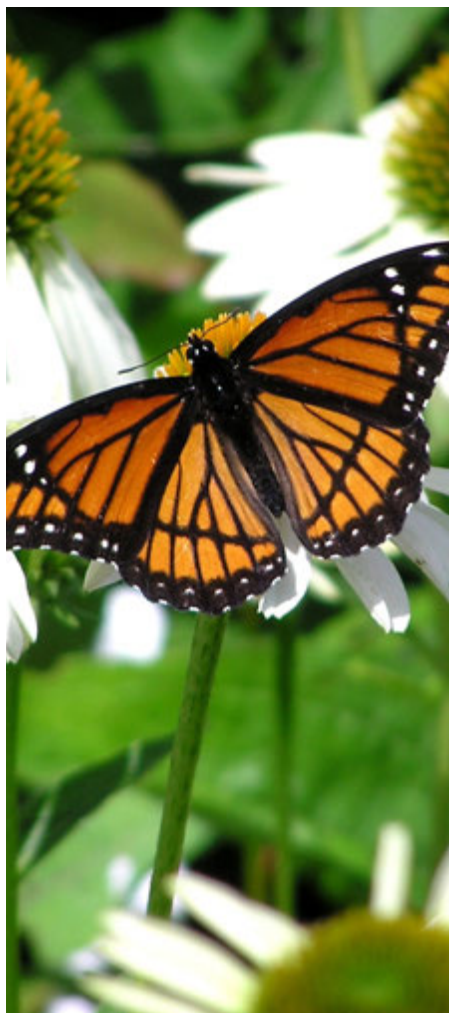

#1 #3

Downward arching leaves. Excellent for meadows, prairies and contemporary landscapes. Blooms have a pleasant citrusy smell in fall.

★ = New! ♥ = Montale Favorite 🐝 = Pollinator Plant 🌸 = Long Bloom Time 🍷 = Native

GRASSES

Attributes	Soil		Light	Ht x W	Bloom Color	Bloom	
	Moisture					Season	Size
	Sporobolus heterolepis 'Tara'						
	Prairie dropseed						
	♥	●●	○	2' x 1'	Tan	Fall	#1
Dwarf version. Vase-shaped and great texture. Rust-red fall foliage. Strongly vase shaped in the first year but does relax once it's established. Gorgeous all season							

Lysimachia 'Goldilocks'

Lamium 'Pink Pewter'

Thymus 'Pink Chintz'

GROUNDCOVER

Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
------------	------------------	-------	--------	----------------	-----------------	------

Ajuga reptans 'Catlin's Giant'

Bugleweed

8" x 24"

Violet Blue

Spring

4" 15/tray

Larger-leaved cultivar. Forms carpet-like mat of lush foliage. Can spread aggressively. Durable groundcover that grows well in the shade of trees and tolerant of black walnut.

Convallaria majalis

Lily of the valley

8" x 12"

White

Spring

4" 15/tray

White bell-shaped arching flowers. Known for its fragrance. Best as ground cover where aggressive spread is desired.

Euonymus fortunei 'Coloratus'

Purpleleaf wintercreeper

6" x 36"

24/flat

Rich plum in fall. Tough sprawling evergreen ground cover for commercial sites. Contain to control unwanted spreading.

Hedera helix 'Thorndale'

English ivy

6" X 60"

24/flat

Lush evergreen groundcover that will grow almost anywhere. Deep green leaves with a slight ivory vein. Aggressive.

Lamium maculatum 'Pink Pewter'

Dead nettle

6" x 24"

Pink

Spr-Sum

4" 15/tray

Silvery leaves. Salmon pink flowers. Good ground cover to brighten up small shade gardens. Will tolerate drought once established.

Lamium maculatum 'Red Nancy'

Dead nettle

6" x 24"

Rose Pink

Spr-Sum

4" 15/tray

Silvery leaves with white flowers. Perfect small groundcover for the all white garden. Will tolerate drought once established.

Lamium maculatum 'White Nancy'

Dead nettle

6" x 24"

White

Spr-Sum

4" 15/tray

Silvery leaves. Milky white flowers. Excellent for the all white garden.

Liriope spicata

Creeping lilyturf

12" x 18"

Pale Lavender

Summer

4" 15/tray

Grass-like texture all season. Can be used to stabilize soils. Mow in early spring to remove old foliage.

★ = New! ♥ = Montale Favorite 🐝 = Pollinator Plant 🌸 = Long Bloom Time 🌿 = Native

GROUNDCOVER

	Attributes	Soil Moisture	Light	Ht x W	Bloom Color	Bloom Season	Size
	Lysimachia nummularia 'Goldilocks' Creeping Jenny	♥	●●●	○●	4" x 14"	Yellow	Spring 4" 15/tray
	Glowing golden leaves offer excellent color for moist shade. Performs well in containers and hanging baskets.						
	Pachysandra terminalis 'Green Carpet' Japanese spurge	●●	●●	6" x 12"	White	Spring	24/flat
	Attractive dark green glossy foliage. This evergreen ground cover has a clean and tidy habit that makes it perfect in formal landscapes.						
	Phlox subulata 'Emerald Blue' Creeping phlox	🐝	●●	○	4" x 18"	Pastel Purple	Spring 4" 15/tray
	Masses of pastel purple flowers. Attractive ground cover. Perfect for rocky areas, slopes and flower borders.						
	Phlox subulata 'Snowflake' Creeping phlox	🐝	●●	○	4" x 18"	White	Spring 4" 15/tray
	Loose clusters of pure white flowers. Spectacular when cascading over walls. Drought tolerant.						
	Sedum kamtschaticum Russian stonecrop	♥🐝	●●	○	6" x 18"	Yellow	Summer 18/flat
	Spreads to form low carpet of scalloped green leaves and yellow flowers. Red tones in fall. Great ground cover for green roofs.						
	Sedum spurium 'Dragon's Blood' Caucasian stonecrop	🐝	●●	○	6" x 18"	Rosy Pink	Summer 18/flat
	Deep red buds open to brilliant pink. Green foliage with wine-red margins. More open habit than kamtschaticum, combines well with other sedum groundcovers.						
	Thymus serpyllum 'Pink Chintz' Creeping thyme	🐝	●●	○	3" x 12"	Bubblegum Pink	Summer 4" 15/flat
	Tolerates light traffic; great filler for in between stepping stones. Use in sunny areas around borders, patios and paths.						
	Vinca minor 'Bowles Variety' Periwinkle, Myrtle	✿	●●	●●	8" x 18"	Violet Blue	Spring 24/flat
	Evergreen ground cover that spreads outward. Blooms intermittently all season.

Terms

Montale is a **wholesale only** nursery.

Customer Requirements

To establish a business account with Montale Gardens please visit our website and complete our "New Customer" form. You must also provide a Proof of Business. Acceptable forms include a voided business check, a copy of your business license, copy of state certificate or business registration, etc. All accounts are COD unless terms are established.

Placing Orders

We request that orders be submitted via email to info@montalegardens.com. Phone orders are also accepted, but, email is preferred. Walk ins are welcome however, pre-placed orders are given priority. Will Call orders will be held for up to 3 weeks. If your order is not picked up within that timeframe it will be cancelled and you are welcome to rebook your order once you are ready.

Pickup

Orders placed at least 24 hours in advance are given top priority, all other orders are assembled on a first come first serve basis. We are happy to accommodate walk-in customers, however, during peak season you may be asked to come back once your order is assembled or you may wait for an extended period of time. If you have an order on Will Call, please notify us at least 1 day prior when you intend to pick it up.

Deliveries

Delivery is available on orders \$500 or more. This can be a combined total of multiple orders but must be delivered to one location.

Cancellations

Cancellation must be made prior to your order being pulled to avoid any cancellation fees. A 25% restocking fee is applied to any orders cancelled or not pickup after the order has already been pulled. The 25% fee is based off the order total.

Guarantee and Return Policy

We guarantee quality plants that are true to name and in prime growing conditions at the time of purchase. Please notify our office immediately if there are any problems. **All claims regarding shortages, incorrect or damaged plants must be submitted to our office within 24 hours of receiving material.** Returns are generally not accepted and are reviewed on a case-by-case basis.

Terms

Custom Contract Grow Orders

We will consider Custom Contract Grow Orders for established customers in good standing based on plant availability, space availability, and production lead time. Terms will vary depending on the quantity and variety of plants. An advance non-refundable deposit of 30% will be required at the time of order confirmation. A holding fee of 10% per month may be assessed on orders not taken by the requested date.

Pricing

Pricing and availability is available on our website 24/7 and is updated every Friday. Pricing is password protected and you must contact our office for password information. Illinois sales tax of 7.0% will be charged on all purchases unless Montale Gardens is provided with a valid Certificate of Resale. Contractors working on tax-exempt projects must supply supporting paperwork for exempt status at the time of order placement. **All pricing is subject to change at any time.**

Earned Volume Discount (EVD)

Montale Gardens Ins. offers volume discounts to our customers who have purchased \$10,000 or more during the previous calendar year. Your account must be maintained in good standing and we reserve the right to cancel the discount program at any time due to delinquency. Montale also reserves the right to cancel or change the discount program at any time during the year. Customers will be notified of their discounts at the beginning of each year. Invoices will be modified accordingly. Any additional sales or discounts on products offered throughout the year can not be combined with your EVD. The greater of the two will be honored.

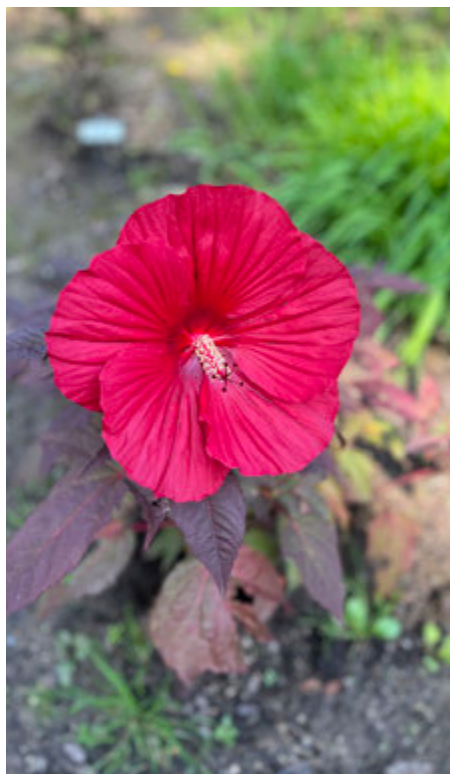

\$10,000	3%	\$50,000	12%
\$15,000	5%	\$80,000	13%
\$20,000	7%	\$100,000	14%
\$30,000	9%	\$125,000	15%
\$40,000	10%	\$150,000+	special discounts available

Forms of Payment

We accept Visa, MasterCard, American Express, Discover, company checks, and cash. New customers may choose to apply for a terms account with Montale Gardens, however, all orders are C.O.D. until such terms are approved. Established accounts must be maintained in good standing. Terms are NET 30 days. Full payment is due within 30 days of the invoice date. If paying by check, a \$35 fee will be charged for any return/bounced payments.

Accounts over 90 days delinquent will no longer be entitled to terms and will be turned back in to a C.O.D. account. In the event of nonpayment, the customer will be responsible for paying all reasonable costs incurred in the collection process including, but not limited to, attorney's fees and court costs.
